Workforce Innovation and Opportunity Act (WIOA) Annual Local Workforce Development Areas Grant Agreements

GOVERNOR’S WORKFORCE INNOVATION DIRECTIVE NO. PY2021-10

- 1. Purpose.** To provide Local Areas and Local Workforce Development Boards with guidance on the submission of annual grant agreements

- 2. Discussion.** Local Workforce Development Boards are required to submit a grant agreement annually in order to receive its WIOA allocation each Program Year. Grant Agreements are incorporated into the Local Workforce Development Area’s four-year plan each year. The Grant Agreement depicts a Local Area’s planned performance goals, program budgets, and fund transfer activity. The Grant Agreement may be modified as needed throughout the grant period, which is for a period of two years. The Grant Agreement should be prepared each year using the attached Grant Agreement Package.

Note that within the Grant Agreement budget, a Local Workforce Development Board may transfer up to 100 percent of a program year’s allocations for Adult and Dislocated Worker programs between the two programs (20 CFR 683.130(a)).

Pursuant to 20 CFR 683.130(c) the Local Workforce Development Boards must provide rational in the grant agreement, modifications or revisions for any fund transfer between the Adult and Dislocated Worker programs. The proposed rational for the transfers and proposed transfer amounts will be reviewed by the State WIOA Office; and if the rationale fully supports the unmet needs of the fund source receiving the funds transfer, the workforce plan, modification, or revision will be sent for the required Governor’s approval per 20 CFR 683.130(c). If the rationale does not fully support the funds transfer, it will be returned to the applicable Local Area.

This Directive supersedes all previous Directives regarding the development and submission of Local Area Grant Agreements.

- 3. Action.** Each Local Workforce Development Board shall use the attached forms to submit its grant agreement annually in order to receive its allocation for each Program Year. Electronic copies of the forms may be requested from Lisa Trammel via email at lisa.trammel@commerce.alabama.gov.
- 4. Contact.** Questions or comments concerning this Directive should be referred to Lorilei Sanders, State Programs, Planning, and Divisional Budget Management Section at (334) 353-1632 or lorilei.sanders@commerce.alabama.gov.

Transfer of Funds:

A local board may transfer, if such a transfer is approved by the Governor, up to and including 100 percent of the funds allocated to the local area for Adult and Dislocated Worker between adult employment and training activities and dislocated worker employment and training activities per WIOA Section 133(b)(4) and the WIOA's Implementing Regulations at 20 CFR 683.130.

Any such LWDA funds transfer request must be submitted in the Grant Agreement document, modification, or revision, and must further be accompanied by appropriate justification, clearly indicating why the request is being made and how granting of the request will benefit local area delivery of workforce development services. At a minimum, the rationale for the transfer should address:

- The situation necessitating the transfer, including local conditions (labor market, economic, etc.) contributing to the need for this transfer request.
- How the funds transfer will impact the participant levels in both programs.
- The transfer's effect on current providers of training and other services.
- Describe the expected impact on WIOA performance outcomes for both funding streams.

The fund transfer may be approved by the Governor, provided that:

- The transfer will not adversely impact the area's capacity to adequately provide appropriate services to individuals in need of such services provided by the program subject to reduced funding.
- The transfer should also not adversely impact the area's ability to achieve program performance measures established for the current or subsequent years.
- The local area will expend, at a minimum, eighty (80) percent of all funds budgeted to the receiving funding stream by the end of the program year.

If the Governor approves the Adult and Dislocated Worker Plan and any subsequent modifications, then the transfer is considered approved if adequately included on the WIOA-60 Transfers form and related budget. Please note that for accounting purposes, funds being transferred must be transferred as program funds on form WIOA-60. Please also note that while local area ten percent funds for administration are tracked by funding source, they are pooled into one fund that can be used for any administration purpose. The Governor must approve all fund transfers per 20 CFR 683.130(c).

Any local workforce development area funds transfer should observe relevant provisions of the Act and the WIOA's Final Regulations.

Budget Summary:

Each LWDA Grant Agreement Package must include a Grantee Budget Summaries (WIOA-60) showing the program year and fiscal year funds allocated for each of the funding streams, transfers between the Adult and Dislocated Worker allocations, and the net amounts available for expenditure. In addition, the budget form shows how the funds are planned for expenditure between the administrative and program categories.

Each LWDA will have one year to obligate WIOA funds and one additional year to expend the funds, subject to the first-year 80 percent obligation requirement and to any subsequent year reallocations. A modification to the Grant WIOA-60 will be necessary to depict any increase or decrease in LWDA allocation (net) amounts resulting from such fund reallocations. A modification to the Grant WIOA-60 will also be required to document any Governor's Incentive/Capacity Building funds awarded the LWDA.

Using the allocations for WIOA Adult, Youth, and Dislocated Worker programs, which can be found in the annual allocation directive upon receipt of funding amounts from the USDOL/ETA and allocation by the State Office, complete one (1) Grantee Budget Summary (WIOA-60) Form for program year funds and one (1) Grantee Budget Summary (WIOA-60) Form for fiscal year funds, depicting LWDA Adult/Dislocated Worker/Youth funding for the grant period, and attach it to the Grant Agreement Package. These WIOA-60 budget documents will be a part of the Grant Agreement Package until budgeted funds have been fully expended.

Note that it is not necessary for local areas to obtain the respective chief local elected official and LWDA Chair signatures when submitting a minor modification to their Grant Agreement Package. The minor modification cannot contain a new request to transfer the Adult and Dislocated Worker funds. When completing a minor modification, a third page may be attached to the original WIOA-59 WIOA Grant Agreement Summary. This additional page will indicate the revised WIOA-59 Part A proposed funding and carry the signature of the local area Grant Recipient representative. Upon State approval of the minor modification, this same page will be countersigned by the Division Director, Workforce Development Division, and attached to the signed WIOA Grant Agreement accompanying the originally submitted local area Grant Agreement Package.

The approved local area Grant Agreement Package minor modification will be transmitted back to the local area under a Notice of Action, signed by the Division Director, Workforce Development Division. The Notice of Action will summarize local area WIOA funding obligation authority.

Note: The definition of a “minor” modification is 1) A reduction or an increase in overall local area program year/fiscal year funding amount of \$50,000 or less, 2) any changes to previously approved program year/fiscal year performance goal measures of less than five percent, or 3) the addition/deletion of up to two planned program year/fiscal year participant activities.

Assurances and Certifications

1. Applicable Authority:

Funds provided under this agreement must be expended in accordance with all applicable federal statutes, regulations and guidance, including those of the Workforce Innovation and Opportunity Act as presently in effect and as may become effective during the terms of this Agreement.

2. Administration Limitation:

Local areas are limited to spending no more than 10 percent of their annual allocation on administrative costs. Flexibility is provided to States and local areas in the statute by allowing administrative funds from the three formula funding streams awarded under subtitle B to be pooled and used together for administrative costs for any of the three programs, at the State and locals' discretion.

3. Veterans Priority Provisions:

This program, funded by the U.S. Department of Labor is subject to the provisions of the "Jobs for Veterans Act" (JVA), Public Law 107-288 (38 USC 4215), as implemented by 20 CFR Part 1010. The JVA provides priority of service to veterans and spouses of eligible veterans for the receipt of employment, training, and placement services. Agreement by a program operator to implement priority of service is a condition of receipt of DOL funds. The Planning Guidance (either the Stand-Alone Planning Guidance at 73 FR 72853 (December 1, 2008)) or the Unified Planning Guidance at 73 FR 73730 (December 3, 2008) requires states to describe the policies and strategies in place to ensure, pursuant to the Jobs for Veterans Act and the regulations, that priority of service is provided to veterans (and certain spouses) who otherwise meet the eligibility requirements for all employment and training programs funded in whole or in part by the U.S. Department of Labor. In addition, the states are required to provide assurances that they will comply with the Veterans' Priority of Service Provisions established by the Jobs for Veterans Act (38 USC 4215) and TEGL 10-09 (issued November 10, 2009). TEGL 10-09 is available at http://wr.doleta.gov/directives/corr_doc.cfm?DOCN=2816.

4. Salary and Bonus Limitations:

In compliance with Pub. L. 111-117 (Division D, sec. 107), none of the funds appropriated in the Act under the heading 'Employment and Training' shall be used by a recipient or subrecipient of such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II. This limitation shall not apply to vendors providing goods and services as defined in the Uniform Guidance. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients of such funds, taking into account factors including the relative costs-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including Employment & Training Administration programs. See Training and Employment Guidance Letter number 5-06 for further clarification.

5. Intellectual Property Rights

Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or licensing fee associated with such copyrighted work, or the cost of acquiring by purchase a copyright in a work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated through selling products developed with grant funds, including intellectual property, these revenues are program income. Program income is added to the grant and must be expended for allowable grant activities. If applicable, the following needs to be on all products developed in whole or in part with grant funds:

22. Contracts:

LWDBs must ensure that these requirements as well as any state and local requirements are included in all contracts with WIOA Grant funds.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964–1965 Comp., p. 39), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal

entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

(I) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
