Date: December 19, 2023

Subject: Travel Mileage Rate for 2024

Effective January 1, 2024, the mileage rate paid to persons traveling in privately owned vehicles on official business for the State will increase to 67 cents per mile. The mileage rate, which is paid in lieu of actual expenses for transportation, is in accordance with Code of Alabama 1975, 36-7-22, as amended, which became effective October 1, 1999. This code section sets the mileage rate at the amount allowed by the Internal Revenue Code for income tax deductions. Therefore, mileage reimbursement for travel on or after January 1, 2024, will be calculated at the new rate of 67 cents per mile.

When calculating the amount reimbursed, all mileage listed on an expense account must be totaled and then multiplied by 67 cents (Example: 110 miles x .67 = \$73.70). Should you have any questions concerning this directive, please contact the Accounts Payable HOTLINE at 334-242-4444 or email travel questions to travel@comptroller.alabama.gov.
