# GOVERNOR'S WORKFORCE INNOVATION DIRECTIVE NO. PY2015-19, Change 05

- SUBJECT: Program Year 2016 / Fiscal Year 2017 Workforce Innovation and Opportunity Act (WIOA) Adult, Youth and Dislocated Worker Allocations.
- 1. <u>Purpose.</u> This transmits notice of local area's Program Year 2016 / Fiscal Year 2017 Adult, Youth and Dislocated Worker program incentive awards.
- 2. <u>Discussion.</u> Adult, Youth and Dislocated Worker Workforce Innovation and Opportunity Act funds reserved for incentive purposes are made available for local area performance incentive awards. Such incentive awards are granted to those local areas whose actual prior program year's performance in each category (Adult, Youth and Dislocated Worker) exceeds the corresponding negotiated performance goals for these programs. The local area incentive fund awards are shown in Attachment 1 of this Directive. The actual calculations of local area Program Year 2016 incentive awards are available in this Directive at Attachment 2. Attachment 3 details the final Program Year 2015 performance, on which these awards are based, for Statewide and each local area.

As indicated in GWID 2015-16, local areas must first reach the 80% threshold to meet their respective performance goals in each of the funding streams in order to be eligible for incentive awards.

Local areas' expenditure of incentive funds must be tracked and reported separately from other WIOA expenditures (*Statewide WIOA Fiscal Procedures Manual*, Section III, Transfer and Incentive Policy, 2. Incentive Awards); i.e., each local area should budget its Program Year 2016 / Fiscal Year 2017 incentive awards on a separate WIOA-60 form, under the Governor's 10% Funds' column.

Local area WIOA funds must be fully expended over a period not to exceed two years from the date (July 1, 2016) these funds were first made available to the State for expenditure. Therefore, the ending date on the WIOA-60 Grant Agreement form should be June 30, 2018. Note these funds may be used for any activities allowed under WIOA Title I-B without respect to Administration or Program Cost categories. Please note that the latest Local Area Performance Management Policy (GWID PY2015-16) was issued on April 15, 2016. Per this revised policy, there are no incentive awards for any funding stream for which a local workforce development area failed to spend funds in the two years allowed for the local workforce development area to spend a particular WIOA allocation of funds. Two local workforce development areas (Jefferson and Mobile) fell into this category in regard to the expenditure of Dislocated Worker funds. Thus, while performance may have resulted in an allocation of Dislocated Worker Incentive funds, these two local workforce development areas were excluded from an award of incentive funds from the Dislocated Worker Incentive funds due to the non-expenditure of Dislocated Worker funds.

3. <u>Action.</u> Please review Attachment 1 of this Directive to determine the amount of your local area's Program Year 2016 / Fiscal Year 2017 incentive awards and submit the appropriate modifications to the respective WIOA Grant Agreement to the Workforce Development Division no later than January 20, 2017.

As noted above, local areas should record their incentive fund awards on a separate WDD-60 Grantee Budget Summary sheet.

4. Contact.

Questions regarding this Directive should be referred to Melody Koorangi, Supervisor, State Program Integrity Section at (334) 242-5175 or <u>melody.koorangi@commerce.alabama.gov</u>.
