GOVERNOR'S WORKFORCE INNOVATION DIRECTIVE NO. PY2018-06, Change 01

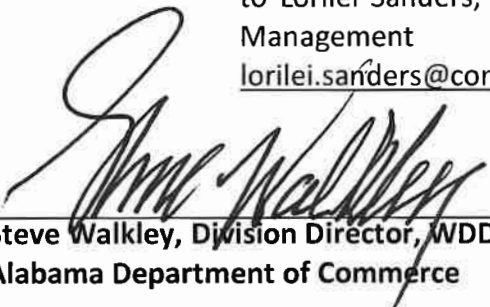

SUBJECT: Local Workforce Innovation and Opportunity Act (WIOA) Local Area Plan Modifications and Grant Agreements

1. Purpose. To change the due date for submission of Local Workforce Development Area (LWDA) plan modifications and grant agreements for Program Year (PY) 2019

2. Discussion. The Workforce Innovation and Opportunity Act (WIOA) requires local areas to submit to the State modifications to their four-year plans detailing planned activities and services (20 CFR 679.580). Governor's Workforce Innovation Directive (GWID) No. PY2018-06 issued on May 7, 2019 states that LWDA plan modifications and grant agreements are due on June 14, 2019. However, after receiving feedback from local areas regarding this due date, the State WIOA office is changing the due date to June 28, 2019 in order to allow additional time for LWDA's to present their plan modifications and grant agreements to their respective local boards as required.

3. Action. Each local board shall use the guidance contained in GWID PY2018-06 when preparing and submitting its respective local area plan modification and grant agreement. However, the due date for local area plan modifications and grant agreements to be received at the State WIOA Office is revised to June 28, 2019.

4. Contact. Questions or comments concerning this Directive should be referred to Lorilei Sanders, State Programs, Planning, and Divisional Budget Management Section at (334) 353-1632 or lorilei.sanders@commerce.alabama.gov.
